**Dear Ms. Cobb:**

**Based on additional information received on November 17, 2022, that the Chicago Park District owns the land on which this project is located, we have determined that the Chicago Park District must be a consulting party to the consultation process for the Exterior and Interior Rehabilitation of the National Museum of Puerto Rican Arts & Culture at 3015 Division St. in Chicago. We have also determined that Preservation Chicago and Logan Square Preservation must be additional consulting parties to this review.**

**Please work with our office so that we can schedule a consulting parties meeting for this project review.**

**Sincerely,**

**Carey L. Mayer, AIA  
Deputy State Historic Preservation Officer
