**Subject: Response to your FOIA request with Chicago Park District//FOIA No. 5128**

Dear Ms. Seidel:

On December 14, 2022, Chicago Park District (the "District") received your FOIA request seeking the following:

"I am writing to request a copy of a Phase I environmental report done between 2019 and December 12, 2022 for the area around the illegally constructed building behind the Humboldt Park Stables at 3015 W. Division."

After a thorough search of the records requested, the District has concluded that there are no responsive records for you to copy and inspect, as the records sought do not exist in the District's custody.

Thank you,

/s/Jennifer Olaya  
FOIA officer
